

Getting data off the HPLC 3-2014 version

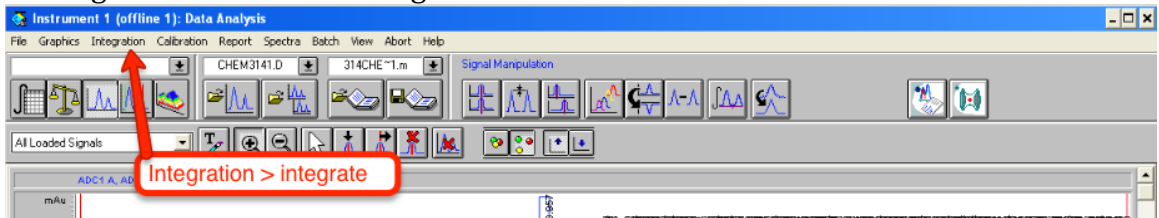

1. open CHEMSTATION 1 offline
Start → all programs → Chemstation → Chemstation 1 OFFLINE

2. Open your files

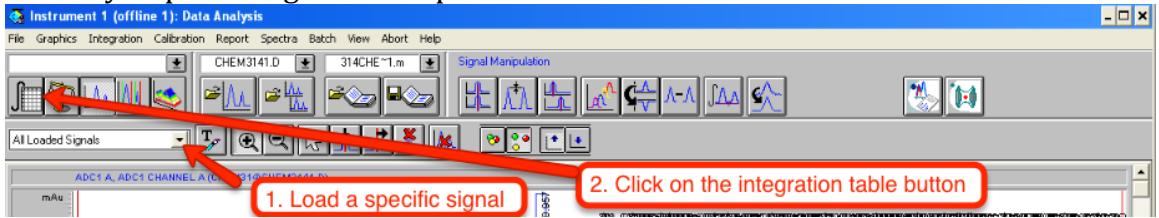

You data is stored: c:\hpchem\1\data\chem314

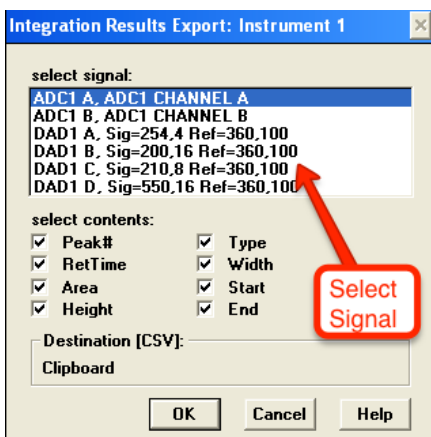

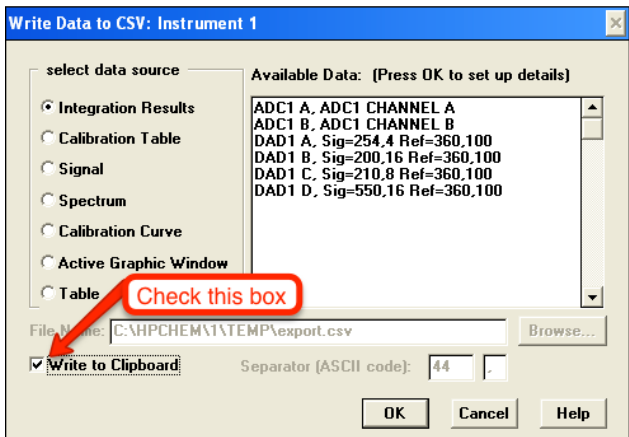

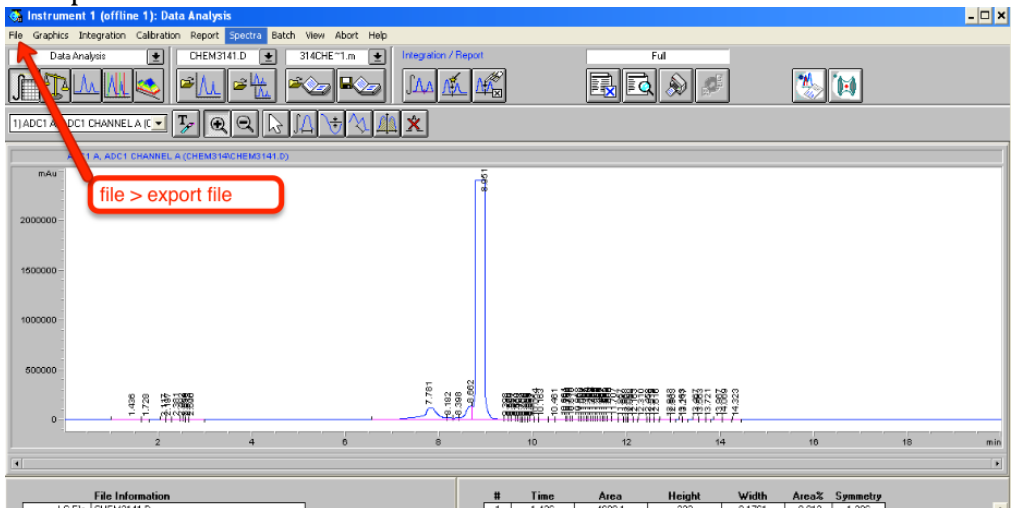

4. Integrate current chromatograms

5. Ready a specific signal for export.

6. Export a file as a .csv

Paste data into notepad and save.
Do this for each signal on each spectrum.
